Homework Assignments

1. Read all the handouts and check the Scriptures, complete the exercises.

2. Choose something in your life that has to do with you; your emotions, your habits, or your body and practice authority over at least 4 separate items. Choose at least 1 different item each week and keep affirming the results of your Prayer of Authority until you receive either the manifestation or it is time to write your printed report. Choose two of these events and turn in a **printed** praise report of no more than ½ of a page on each item. If any printed report is longer than ½ a page per report, it will probably be returned to you for editing.

3. Choose something in your life that has to do with your authority over demonic spirits. Each week, exercise your authority over at least 1 situation in which demons are influencing a person (not yourself), animal or thing. You may cast the demons out of the room, building or location but do **not** cast the demons out of the person. Simply shut them up. Keep affirming the results of your Prayer of Authority until you receive either the manifestation or it is time to write your printed report. Choose two of these events and turn in a **printed** praise report of no more than ½ of a page on each item.

4. On a daily basis, pray the Three Witness Anointing Prayer over yourself. One by one, apply each element to your forehead. Each time, after anointing your forehead with an element, speak out the matching Three Witnesses prayer; and in each prayer include your heart, soul, mind, brain, memory, five senses, tongue, vocal cords, every cell, every organ and every system in your body. If you choose to, you may cast out the demons, devils and evil spirits as you are praying through the Three Witness Anointing Prayer or you may choose to simply wash them down and shut them up.

5. On a daily basis affirm each of the following affirmations **50 times**: From 1 Cor 2:16, "In the Name of Jesus, I have the mind of Christ." From Psa 19:14, "In the Name of Jesus, God has made the words of my mouth and

the meditations of my heart acceptable to Him." From Rom 6:11, "In the Name of Jesus, I reckon myself dead to sin, but alive unto God."

6. Come to the next class fasting. Partial fast as God leads is acceptable.
