ABC School of Dominion
Semester 3 Day Four
10-15-2016

Homework Assignments

1. Read all the handouts and check the Scriptures.

2. Choose something in your life that has to do with you; your emotions, your habits, or your body and practice authority over at least 4 separate items. Choose at least 1 different item each week and keep affirming the results of your Prayer of Authority until you receive either the manifestation or it is time to write your printed report. Choose two of these events and turn in a **printed** praise report of no more than ½ of a page on each item. If any printed report is longer than ½ a page per report, it will probably be returned to you for editing.

3. Choose something in your life that has to do with your authority over demonic spirits. Each week, exercise your authority over at least two situations in which demons are influencing a person (not yourself), animal or thing. You may cast the demons out of the room, building or location but do **not** cast the demons out of the person. Simply shut them up. Keep affirming the results of your Prayer of Authority until you receive either the manifestation or it is time to write your printed report. Choose two of these events and turn in a **printed** praise report of no more than ½ of a page on each item.

4. On a daily basis affirm each of the following affirmations **50 times**: From 1 Cor 2:16, "In the Name of Jesus, I have the mind of Christ" From Psa 19:14, "In the Name of Jesus, God has made the words of my mouth and the meditations of my heart acceptable to Him." From Rom 6:11, "In the Name of Jesus, I reckon myself dead to sin, but alive unto God."

5. Come to the next class fasting. Partial fast as God leads is acceptable.
