E. Ministry Guidelines

1. Minister with authority because all power is available to you in the Name of Jesus.
2. Minister according to the leading of the Holy Spirit.
3. Minister deliverance and cleansing not so much based on what Jesus did but more based on what He said (i.e., taught).
 - a) When Jesus ministered, satan was not yet defeated.
 - b) When Jesus ministered, no one was yet born again.
 - c) When Jesus ministered, it was rare, if ever, that the person with the demon had previously been cleansed of that demon (i.e., it was a first time “casting out” event). Today, it is quite common to have a subject out of whom the same demon (or demon type) had been previously cast out but has been permitted to return. Often, the cycle has been repeated not just once but on multiple occasions.
 - d) Jesus was not casting demons out of Christians.
